

# Safe-Con, LLC Safety Consulting & Training

## Construction Safety Training CD-Rom-s

Each series is presented using Microsoft's Power Point7 presentation software which you must have to use any of these products. Files can be loaded onto your own computer for company customization with your company name and logo. Pre-customizing available at extra charge. Programs can be used as presentation materials, printed as handouts or used as individual slides.

Item	Price (ea)	No.	Total Cost
<b>The Illustrated Tool Box Talk Series CD-Rom</b> Over 60 Tool Box Talks set in Presentation Format and easily printed on your own letter head. Every Tool Box Talk graphically displays the subject matter in picture form and then presents the important point of each subject.	\$75		
<b>What's Wrong Illustrated Inspection Series CD-Rom</b> Over 140 different construction safety inspection slides displayed with photographs and captions. Each slide depicts what is wrong and what should be done to correct the hazard.	\$125		

### Construction Safety Presentation Series CD-Rom

Construction safety training topics delivered in a presentation format for easy use and internal instruction. All programs include pictures and illustrations. Presentations ordered will be installed on a single CD.
